Notes

*(didactic/clinical credits)

MSN-DNP students may be required to complete additional credit hours of clinical practicum in NURS 6990 to reach a total of 1000 hours of supervised clinical practicum hours. 1 credit in a clinical course = 64 hours of clinical practicum.

DNP Project to be completed by Fall 2 otherwise the student will need to continue enrolling into NURS 6991 DNP Project Development until the DNP project is defended and final paper is submitted
